

## Proposed By-Law Amendments

Following are proposed changes to the ONHB By-Laws. These changes will be discussed, and voted upon, during the AGM.

1) It is proposed that within by-law articles 22 and 24, “volunteer coordinator” is replaced with “*Member-at-Large*”.

2) It is proposed that by-law article 24e. be changed from:

24.e. Volunteer coordinator – The volunteer coordinator shall be a director and has responsibility for directing volunteer activities including recruiting a team of volunteers to manage, staff and support the Corporation’s activities, concerts and events.

to:

*24.e. Member-at-Large – recruits volunteers for ongoing ONHB operations and one-off needs; plans, organizes and oversees outreach activities (e.g. Info Night), special events or projects (e.g. concerts, video compilations); acts as liaison between band reps and board*

Please note: by-law article 24 provides a description of the executive offices. The by-laws also state that the board may “modify, restrict or supplement such duties and powers”. It is generally understood that executive roles and responsibilities shift to best meet the needs of the organization and that board directors often share or take on duties assigned to fellow board directors.
